ONGAVA
GAME RESERVE

CAREER OPPORTUNITY

Job Title: Security Room Operator
Location: Ongava Game Reserve

Ongava Game Reserve seeks to recruit (2x) Security Room Operators. The responsibilities of this position include (but are not limited to) the monitoring and operations of security surveillance systems, CCTV camera monitoring as well as the capture and management of data and its subsequent analysis.

Reports To: Reserve Manager
Employment Type: Full-time

Requirements:
- Must have a Grade 12 Certificate.
- A Certificate or Diploma in Computer Science would be advantageous.
- Two years' experience in security and surveillance related systems.
- Strong technical proficiency, including knowledge of network security, intrusion detection, and prevention systems.
- Analytical skills: Ability to analyse security events, identify threats and assess risks.
- Problem solving: Ability to quickly identify and resolve security incidents.
- Ethical consideration: High ethical standards and the ability to maintain discretion and integrity in handling sensitive information are crucial.
- General computer skills, including competency in Microsoft products.
- Must be fluent in English (reading, writing, speaking) and be highly detail orientated.
- An interest in Conservation would be advantageous.

How to Apply:
Interested candidates who meet the above application criteria are requested to apply for this vacancy by sending an updated CV, motivational letter, qualifications to **apply@ongava.com**

Closing date: 31 May 2025 (only shortlisted candidates shall be contacted)
