

INTERNAL & EXTERNAL POSITION: EXPLORATION GEOLOGIST

ROSH PINAH ZINC, A LEADING MINING COMPANY, IS SEEKING SKILLED CANDIDATES TO JOIN OUR DYNAMIC TEAM. THE SUCCESSFUL CANDIDATES WILL PLAY A PIVOTAL ROLE IN OUR OPERATIONS.

Your Key Areas of Responsibility:

- Scheduling and execution of regional and on-mine exploration activities, including surface and underground mapping, core logging and sampling.
- Formulate and execute the exploration strategy.
- Drill planning and monitoring
- Database management in Acquire and modelling of geology and grade in Mine Sight and/or in Leapfrog.
- Application of exploration techniques and technology, geological interpretations, and reporting
- Quality Assurance Quality Control (QAQC) within area of responsibility
- Assist with mineralogical investigations.
- Conduct geophysical and geochemical studies.
- Maintain Health, Safety and Environment standards in compliance with the systems on the mine.
- Adhere to all health and safety practices and promote good mining practice on an ongoing basis.

Ideally, you will have:

- A Bachelor of Science (B.Sc.) Honours in Geology
- M.Sc. in Geology or other technical geology qualifications will be an added advantage.
- Minimum 6 years relevant on-mine and regional exploration experience
- A registered competent person (SACNASP affiliated or similar) will be an added advantage.
- Proficiency in English
- Code B driver's license

To apply for the position, submit a compliant application with a cover letter through the recruitment portal www.jobopportunities.net. If there is no contact within 2 weeks after closing date, consider application unsuccessful. Candidates from designated categories are encouraged to apply.

CLOSING DATE: 30 JULY 2025
