

INTERNSHIP PROGRAMME

Intern: Infrastructure

1. Purpose

The purpose of this internship is to provide students with **hands-on exposure to infrastructure development processes**, with a specific focus on **site acquisition and site inspection**. The programme aims to enhance students' understanding of the telecommunications infrastructure value chain while developing practical skills that support industry readiness.

2. Minimum Requirements:

- Final year student pursuing a Degree in Electronic Engineering or Telecommunications Engineering.
- Proficiency in MS Office Suite (Word, Excel, PowerPoint, Outlook).
- CAD Software knowledge will be an advantage.

3. Key Responsibilities and Learning Outcomes:

- Site Acquisition
- Site Inspection

4. Interested candidates are required to submit the following documents:

- Comprehensive CV.
- Motivational cover letter.
- **Certified copies of full academic transcripts** (Failure to submit the full academic transcripts will disqualify your application).
- Apply through the Tara Nawa recruitment portal at www.jobopportunities.net, only applications received through this portal will be considered.

Closing Date: 10 October 2025 @ 17:00

NB: Only shortlisted candidates will be contacted.

NO LATE APPLICATIONS WILL BE CONSIDERED AND ACCEPTED.
