

VACANCY – GEO TECHNICIANS

Koryx Copper S.A., the parent company of Haib Minerals (Pty) Ltd, owner of the Haib Copper Project near Noordoewer, is seeking motivated and detail-orientated Geo-technicians to support geotechnical operations. The role involves supporting the scale up of the drilling program with additional rigs and operating under a two-shift system. The company is growing and there will be a continued need for qualified and experienced Geo-technicians.

Key requirements:

- Grade 10
- Grade 12 advantageous
- Drivers licence (code B)
- Own accommodation in Noordoewer
- Physically fit to work in high temperatures and difficult conditions

Key Responsibilities (includes but is not limited to):

- Accurate and timeous marking of drill core and collection of data in the core yard or on site (as required)
- Accurate and timeous documenting and reporting of geotechnical and drilling operations
- Ensure SHE standards are always adhered to

Additional, ideal experience:

- 1-2 years work experience in a mining or exploration (drilling) environment (**absolutely essential**)
- Knowledge in geological field equipment (e.g. GPS) and sampling methods/tools

Application Process:

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net.

Closing date: 10 April 2026

Koryx is committed to diversity, equity and inclusion in the workplace. We encourage application from all qualified candidates regardless of race, gender, religion or background and members of under representative groups.
