

ROSH PINAH HEALTH CARE (PTY) LTD t/a SIDADI CLINIC

SENIOR DENTIST

Rosh Pinah Health Care (Pty) Ltd, t/a Sidadi Clinic, is a modern private healthcare facility situated in Rosh Pinah, Southern Namibia.

Our facility provides comprehensive Primary Health Care Services, Occupational Health Services, Dental Services, After-Hours Emergency Care, a Day Ward and Surgical Theatre. We serve the mining industry and surrounding communities and are committed to delivering accessible, patient-centred healthcare of the highest standard.

As part of our continued growth and commitment to clinical excellence, we are seeking to appoint a highly dynamic, ethical, professional and patient-focused Senior Dentist to lead and further develop our dental services.

Position: Senior Dentist

Department: Clinical Services

Line of Reporting: General Manager

Location: Rosh Pinah, Namibia

KEY RESPONSIBILITIES

- Provide comprehensive dental examinations, diagnosis and treatment to patients.
- Perform routine and advanced dental procedures, including

restorations, extractions, preventative care and emergency dental treatment.

- Manage dental emergencies and acute oral health presentations.
- Promote oral health through patient education, preventative care programmes and community awareness initiatives.
- Lead the continued development and growth of the clinic's dental services.
- Ensure compliance with HPCNA standards, infection prevention and control requirements, and applicable healthcare legislation.
- Maintain accurate, confidential and legally compliant patient records.
- Manage dental equipment, instruments, consumables and stock control processes.
- Participate in quality improvement initiatives, clinical audits and accreditation activities.
- Build and maintain professional relationships with patients, medical practitioners, occupational health practitioners and external healthcare providers.
- Support occupational health programmes where oral health may impact fitness for work.
- Provide guidance and mentorship to supporting clinical staff involved in dental services.
- Participate in after-hours emergency dental care arrangements where operationally required.
- Contribute to the overall business efficiency, sustainability and growth of the clinic.
- Participate in multidisciplinary healthcare initiatives and wellness programmes.

QUALIFICATIONS AND EXPERIENCE

- Bachelor of Dentistry (BChD).
- Current registration with the Health Professions Councils of Namibia (HPCNA) as a Dentist.
- A minimum of three (3) years' post-community service experience is preferred.

- Experience in private healthcare practice will be a distinct advantage.
- Experience in remote, mining, occupational health or rural healthcare environments will be advantageous.
- Demonstrated competence in routine and emergency dental procedures.
- Sound understanding of infection prevention, sterilisation and quality assurance practices.
- Computer literacy and experience with electronic patient management systems.
- Valid driver's licence and own transport will be advantageous.

PACKAGE AND BENEFITS

- Competitive market-related remuneration package.
- Opportunity to work within a multidisciplinary healthcare team.
- Exposure to both private healthcare and occupational health environments.
- Relocation and accommodation assistance will be considered for suitable candidates.
- Supportive professional environment with opportunities for continued professional development.
- Opportunity to contribute meaningfully to healthcare delivery in a unique mining and community healthcare setting.

PERSONAL ATTRIBUTES

- Excellent communication and interpersonal skills.
- Strong patient-centred approach.
- High ethical and professional standards.
- Leadership ability and professional maturity.
- Attention to detail and commitment to quality care.
- Strong clinical judgement and decision-making skills.
- Ability to work independently and as part of a multidisciplinary team.
- Effective organisational and time management skills.

- Ability to perform under pressure in a dynamic healthcare environment.
- Commitment to continuous learning and professional development.

APPLICATIONS

All CVs should include:

- Detailed curriculum vitae.
- Certified copies of qualifications.
- Certified copy of HPCNA registration certificate.
- Certified copy of Namibian identity document.
- At least three contactable professional references.
- Current contact details including physical address, telephone number and e-mail address.
