

Consolidated Copper Corp is a mining, development, and exploration company focused on copper mining in Namibia. The company is seeking a suitably qualified candidate for the position of Electrician within the Engineering Department at its Central Operations (Otjihase/Matchless Mines) under Ongopolo Mining Limited, located approximately 35 km outside Windhoek.

ELECTRICIAN – ENG x1

Role Purpose: Reporting to the Electrical Foreman, the Electrician will install, maintain, and repair electrical equipment while supervising and training subordinates.

Key Responsibilities:

- Install and maintain electrical equipment, including cables, transformers, switchgear, control panels, and motors.
- Supervise and train subordinates.
- Ensure compliance with mine safety standards.

Minimum Requirements:

- Relevant Trade Diploma.
- Minimum of 3 years of experience with HT and heavy current equipment.
- HT Switching Certificate will be an added advantage.
- Underground mining experience is advantageous.
- Code BE (08) driver's license.
- Must have own tools and be prepared for underground shifts.

Minimum Requirements:

Interested candidates should submit:

- A detailed CV
- non-returnable certified copies of relevant qualifications
- A valid Certificate of Conduct (Police Clearance Certificate) not older than six (6) months
- Contact details, including email addresses for references
- Candidates must be Namibian citizens or permanent residents

Applicants must disclose any disciplinary history or pending court cases and submit a signed declaration confirming this together with their cover letter.

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net.

Ongopolo Mining Limited is an equal opportunity employer. Women and persons with disabilities are encouraged to apply.

CLOSING DATE FOR APPLICATIONS: 31 July 2026 @ 7:00PM
