

Rosh Pinah Zinc, a leading mining company, is seeking a skilled **Geologist: Geodata** to join our dynamic team. The successful candidates will play a pivotal role in our operations.

INTERNAL & EXTERNAL VACANCY GEOLOGIST: GEODATA

Your key areas of responsibility:

- Manage the collection, validation, analysis, and maintenance of geological data to ensure accuracy, integrity, and accessibility for operational and strategic decision-making.
- Maintain geological databases and data management systems, ensuring efficient data integration, quality control, and support for geological software applications.
- Coordinate geological drilling data and quality assurance processes to ensure compliance with industry standards and support reliable resource estimation.
- Provide geological data, interpretation, and reporting to support mine planning, ore tracking, reconciliation, and operational performance.
- Assist with Mineral Resource and Reserve reporting in compliance with international reporting standards.
- Support budgeting processes, monitor expenditure, and ensure cost-effective management of geological data and drilling-related activities.
- Support team development through training, coaching, performance management, and knowledge sharing.
- Ensure compliance with SHE requirements, company standards, and statutory regulations.

Ideally, you will have:

- A Bachelor of Science (B.Sc.) in Geology. Honours degree is preferred.
- Minimum of 3-5 years relevant experience.
- Previous experience, or competency, in database management and QAQC practices preferable.
- Proficiency in acQuire, Deswik, Minesight, Vulcan, and Leapfrog.
- Understanding of QAQC procedures and analysis to maintain robust, high-quality datasets.
- Computer Literacy: Proficiency in MS Office Suite.
- Valid Code Driver's License

To apply for the position, submit a compliant application with a cover letter through the recruitment portal www.jobopportunities.net. If there is no contact within 2 weeks after closing date, consider your application unsuccessful. Candidates from designated categories are encouraged to apply.

Closing date: 18 July 2026
