

Consolidated Copper Corp is a mining, development, and exploration company, focusing on copper mining in Namibia. The company is seeking to employ suitably qualified candidate for the following position. The position is at our Northern Operations, Ongopolo Mining Ltd, Tschudi Mine, Tsumeb.

HSS SITE CONTROLLER – HSSE02 x1

About the Role

The HSS Site Controller will be responsible for ensuring the health, safety and security, (HSS) compliance of site operations. This role requires strong knowledge of HSS management systems, excellent communication skills, and the ability to implement and monitor HSS policies and procedures effectively.

Educational and Experience Requirements

- Diploma in Occupational Health and Safety Management (NQF Level 7) or equivalent
- 2 years in Occupational Health and Safety management, preferably in an open-pit mining environment and processing plant operations.
- SAMTRAC or equivalent Occupational Health and Safety certificate would be added advantage.
- Practical experience in HSE Management Systems development, implementation, and maintenance (e.g., ISO 45001 & ISO 14001 experience).
- Knowledge of EIA/EMP implementation and management.

Skills and knowledge

- Comprehensive understanding of Namibian HSS legislation, including the Mines Safety Act and Occupational Health & Safety Act.
- Familiarity with ISO 45001 and their application on operational sites.
- Proficiency in risk assessment methodologies, such as FVL, PTW, and JSA, and hazard identification techniques.
- Incident investigation methods, including root-cause analysis techniques like 5-Why and ICAM.
- Emergency response procedures, first-aid protocols, and fire/chemical spill management.
- Awareness of operational hazards specific to open-pit mining and processing plant environments.
- Strong communication skills.
- Proficiency in computer applications (MS Word, Excel, PowerPoint).
- Knowledge of HSS inspections and auditing.
- Understanding of non-conformance management.
- Familiarity with HSS awareness initiatives.
- Competence in monitoring and ensuring HSE compliance.

Key Responsibilities

- Implement Company Policies, Procedures, and Regulations.
- Conduct daily HSS inspections.
- Assist the line with risk assessments, FVL, PTO, and incident investigations.
- Perform internal HSS audits.
- Conduct training and inductions for staff.

Candidates must be Namibian citizens or holders of Namibian permanent residence permits and should hold a valid Code B (08) driver's license.

If you meet the requirements for this role and are ready to contribute to the success of our company, please apply through our recruitment portal at www.jobopportunities.net.

CLOSING DATE FOR APPLICATIONS IS 10 July 2026.

Ongopolo Mining Limited is an equal opportunity employer. Women and persons with disabilities are encouraged to apply.
