

**Internal & External Vacancy
(Plant engineer)**

Uis Tin Mining Company Pty Ltd, an equal opportunity employer, situated in the Erongo region, hereby invites competent & suitably qualified candidates to apply for the position of **Plant Engineer**. This position reports to the Engineering Manager.

Key responsibilities:

- Assist the Engineering Manager in planning, coordinating, and executing engineering jobs.
- Collaborate with all organizational units and maintenance teams to optimize mining processes and equipment performance.
- Provide technical guidance and mentorship to engineers and technicians, fostering a culture of continuous improvement and professional development.
- Evaluate engineering designs and specifications to ensure compliance with regulatory requirements and industry standards.
- Manage and report on the progress of engineering activities, budget expenditures, and resource allocation to the engineering manager.
- Identify opportunities for process improvements and cost savings initiatives within the engineering department.
- Participate in strategic planning sessions to support long-term operational goals and growth initiatives.
- Supervise and coordinate the activities of the engineering team, ensuring adherence to maintenance schedules.
- Implement and enforce safety standards and procedures in collaboration with the Health, Safety, Environment and Community (HSEC) department.

Key requirements:

- Bachelor's degree in electrical/mechanical engineering, or a related field.
- Minimum of 5 years of experience.
- Registration with a recognized Engineering Council will be an added advantage.
- Proven experience within the mining industry, with a strong understanding of mining operations and processes.
- Knowledge of mining regulations, safety standards, and environmental practices.
- Proficiency in engineering design tools (e.g., AutoCAD) will be an added advantage.
- Strong analytical and problem-solving skills, with the ability to make sound decisions under pressure.
- Excellent leadership, communication and interpersonal skills.
- Valid code B driver's license.
- A valid police clearance certificate, not older than 6 months.
