

BOKOMO™

WE ARE HIRING

CAREER OPPORTUNITY

At Bokomo Namibia, a joint venture between the Frans Indongo Group (Namibia) and PepsiCo Inc, you get the best of both worlds: an entrepreneur's mindset plus reach and resources through our worldwide network. Bring your unique perspective. Bring curiosity. Bring ingenuity, and drive. We'll give you a platform to be daring.

Technician: Maintenance (WHK)

Reporting to the **Manager: Maintenance**, the Technician will be responsible for assisting in the training of staff including apprentices and support workers in all aspects of their duties and responsibilities and to pass on "site knowledge" and skills.

Key Responsibilities

- Fit and assemble structural frameworks as per the blueprint specification including but not limited to materials, hand tools, welding equipment etc
- Responsible for the maintenance, overhaul and repair of machinery and equipment.
- Responsible for the day to day tasks including and not limited to; fitting and assembling parts and sub-assemblies, manufacturing, repairing and inspection of machinery and equipment, and requiring occasional hot work such as welding.
- Responsible for planned preventative (proactive) maintenance routines, inspections and commissioning tests in accordance with legislative, regulatory and Company specific policies and procedures.
- To liaise with the Manager Maintenance regarding plant and/or equipment failures and to request the supply of goods and/or services as necessary to ensure rectification of the fault.
- Timely completion of all report sheets and test certificates, surveys and audits as necessary, to provide an auditable trail of quality control and history of work undertaken to legislative standards.
- Work closely with other trades and disciplines to achieve versatility, flexibility and co-operation towards effective and efficient working and continually strive to reduce costs wherever possible within the full scope of all relevant legislation.
- Will be required from time to time to do leave replacement for Technician at other Bokomo Plants.

Compliance and Adherence

- Execute all other legal and reasonable duties as directed by the employer.
- Maintain housekeeping in the workshop and relevant areas.
- Adherence to Company policies, procedures and practice.
- Adherence to Health and Safety regulations.

Qualification and Experience Required

- Technical Trade or National Training Certificate (Qualified Artisan)
- 4-5 years' experience

Closing date: 10 September 2026
