

Fritze & Quelle cc

VACANCY

Quantity Surveyor (QS)

Role Summary:

The Quantity Surveyor (QS) assists in managing all aspects of the contractual and financial side of construction projects.

Location: Swakopmund

Key Responsibilities:

- Assisting in the preparation of cost estimates and budgets for construction projects.
- Helping to manage and control costs throughout the project lifecycle.
- Conducting site visits to monitor progress and ensure work is being done to specifications.
- Assisting with the preparation of tender and contract documents, including bills of quantities.
- Measuring and valuing work done on site.
- Preparing and submitting regular financial reports and assessments.
- Collaborating with project managers, engineers, and other stakeholders.

Qualifications and Skills:

- Bachelor's degree or diploma in Quantity Surveying, Construction Management, or a related field.
- Strong numerical and analytical skills.
- Proficiency in relevant software (e.g., MS Excel, QS-specific software).
- Attention to detail and accuracy in measurements and calculations.
- Good communication and negotiation skills.
- Ability to work as part of a team and under the supervision of senior QS.

Application Procedure:

At Fritze & Quelle, we value diversity and equal opportunities. If you meet the qualifications for this position and are eager to join our team, please submit your application through our recruitment portal at www.jobopportunities.net. Be sure to include a detailed cover letter, a comprehensive CV, and any relevant certifications and documents.

Application Deadline:

The application deadline for this position is 30 August 2026. Don't miss this opportunity to advance your career and be part of our dynamic team in Swakopmund.
