- Prepare artwork and files for digital and large-format printing and production.
- Ensure designs are accurate and meet the required specifications before production.
- Liaise with customers and colleagues regarding artwork, design requirements and amendments.
- Manage multiple design projects and ensure agreed deadlines are met.
- Check artwork carefully for layout, sizing, spelling and other details before final production.
- Work closely with the sales and production teams to ensure customer requirements are accurately translated into finished products.
- Maintain a high standard of quality and consistency across all design work.

QUALIFICATION AND EXPERIENCE REQUIREMENTS

- Experience in **graphic design** or a similar role.
- Experience working with **CorelDRAW and Adobe Illustrator**.
- Previous experience within a **digital and/or large-format printing company** will be an advantage.
- Valid Driver's Licence.

PERSONAL QUALITIES

- Creative flair and strong attention to detail.
- Friendly, positive attitude and customer-focused.
- Self-driven and motivated.
- Able to meet deadlines.
- Able to work effectively under pressure.
- Able to work independently as well as part of a team.
