

**SENIOR QUANTITY
SURVEYOR**

**WE ARE
HIRING!**

Send your CV to: cv@nexusgroup.com.na

Closing date: 31 October 2026

MINIMUM REQUIREMENTS

- **Bachelor's Degree or BTech in Quantity Surveying.**
- **8–10 years of relevant experience in the construction industry.**
- **Strong knowledge of construction contracts and commercial management.**
- **Proven experience in project cost control, valuations and final accounts.**
- **Excellent negotiation, analytical and communication skills.**
- **Proficiency in Microsoft Office and relevant quantity-surveying software, particularly CCS Candy.**
- **A valid driver's licence.**

KEY RESPONSIBILITIES

- **Manage project budgets, cost estimates and financial forecasts.**
- **Prepare and assess interim valuations, payment certificates and final accounts.**
- **Monitor contractual obligations, variations, claims and commercial risks.**
- **Conduct accurate measurements and manage bills of quantities.**
- **Negotiate with clients, subcontractors and suppliers to achieve favourable commercial outcomes.**
- **Provide timely commercial reports and cost-control updates to management.**
- **Ensure compliance with contractual requirements and internal financial controls.**
